EXPERIENCE

Madison Square Garden Sports Corp.

Brand Designer, New York Knicks | 2022-Present

- Lead design for 360 brand experiences spanning social, OOH, digital, email, app, print, packaging, and in-arena.
- Collaborate with marketing and partnerships teams to create campaigns from ticketing and merch to evergreen.
- Conceptualize and execute fan engagement activations and storytelling moments, including *80 Years of Clyde, Knicks Night Under the Lights*, and Playoffs giveaways.
- Build scalable visual systems and templates to support cross-functional creative workflows.
- Mentor junior designers by providing feedback, design support, and guidance across creative projects.

Discover Financial Services

Brand Designer & Content Creator (Freelance) | 2022

- Designed original card concepts for the Discover Student Card, with two designs selected for permanent circulation
- Collaborated with internal brand teams and agency partners to develop campaign and promotional creative.
- Created social content that increased awareness of the Discover Student Card program and reached approximately 75 million consumers.

Colorintheworld

Founder & Creative Director | 2018-Present

- Founder and creative lead of a color-focused art & design brand, building an engaged cross platform audience through original social content and visual storytelling, reaching 80K+ followers and 1.2M+ TikTok likes.
- Develop and evolve a cohesive brand identity and visual systems across digital content and brand partnerships.
- Lead creative partnerships with brands including Prismacolor, Newell Brands, Blick Art Materials, Plaid Enterprises, and Arteza, producing branded social and marketing content across digital channels.
